MESSAGE FROM THE PRESIDENT

Dear Parents,

True education is the harmonious development of the physical, mental, social, and spiritual dimensions of a student. Our vision is to provide your child, quality, all-round education with a futuristic approach through dedicated efforts. Lowry Memorial Higher Secondary School is committed to excellence in education and will embrace changing social realities and technology that will have a profound impact on your child and our changing world whether it is in the classroom, laboratory, or the world at large.

The strategic plan of Lowry Memorial Higher Secondary School is to build on its existing strengths and make necessary improvements to develop a strong Institution for a better tomorrow. The plan is to continue identifying concrete goals and specific directions that will further enhance the quality of education, services, and reputation of this Institution. Specific plans are put in place on how the school administration will go about achieving the new goals and standards set, while maintaining present accomplishments.

At Lowry Memorial Higher Secondary School, we are committed to providing holistic, value-based education to every child that enrolls in this Institution. Students' satisfaction is our priority. Our experienced and committed teachers strive to motivate students to achieve academic excellence and have an enjoyable learning experience. With a blend of resources, infrastructure, and dedicated teaching faculty, we train students and equip them to meet the challenges of the modern world as well as foster values of honesty, compassion and collaboration, helping them become pillars of modern India and the World.

Thank you for choosing to be a part of our amazing learning community at Lowry Memorial Higher Secondary School. Parents, rest assured that your child will receive the best of education and an opportunity to develop holistically. Students, your success is paramount to us, and we will leave no stone unturned to help you achieve academic and social success. May God Bless you!

I look forward to working with you and your child.

G. Nageshwar Rao, Ph.D.

President, Lowry Educational Institutions

MESSAGE FROM PRINCIPALS

Dear Parents,

Welcome to Lowry Memorial Higher Secondary School!

Our dedicated and well experienced faculty are enthusiastic about teaching, guiding and nurturing children of various age groups.

We believe that a child should find the school a place filled with excitement in the process of 'learning while playing' which is our motto, so that their desire to learn is fulfilled by gaining knowledge, skills and a positive self-esteem which will become a platform for a successful and happy future.

Our school campus provides a safe and nurturing ambience and the resources and opportunities available for learning are extensive. We recognise the confidence you place in us during this crucial period of your child's development and we assure you that the child is in safe hands and this journey will culminate with 'Sure Success'.

The large campus is a superb setting for nature trails and for a variety of other outdoor projects and activities. Students are able to enjoy the vastness of our campus and benefit considerably not only mentally but physical which promotes a culture of well-being and security.

We believe strongly that our students under the canopy of this learning centre will be happy and safe while on the process of acquiring knowledge. Our caring and dedicated staff will work with them to ensure their progress both academically and socially.

Warm Regards,

Dr. V. Vara Prasad Rao
M.A., M.A., B.Ed., Ph.D.

ICSE EXAMINATION RESULTS OF THE SCHOOL

ABOUT US

Lowry Adventist College and Group of Institutions is situated on a large, spacious and serene campus at Dooravaninagar, in the beautiful city of Bengaluru, Karnataka. It is situated strategically having proximity to the National Highway No. 4 and opposite to K. R. Puram Railway station. This Institution is run by the Seventh-day Adventist Church organization which runs thousands of schools, colleges, universities and orphanages across the world.

Lowry Memorial College and Institutions were established in the year 1915 by a noted philosopher and educationist Elder Gentry G. Lowry of the Seventh-day Adventist Church. In the years that followed, this institution underwent a gradual metamorphosis to become one of the premier Educational Institutions in Bengaluru. During the course of its century old heritage, new units were added to the growth of this institution like Teachers Training Institute (Diploma in Education) in the Year 1972, Junior College (Pre-University College) in the Year 1977, Under Graduate College affiliated to Bangalore University in the year 1998 and Adventist College of Nursing affiliated to Rajiv Gandhi University of Health Sciences in the year 2006.

This Institution boasts of training, nurturing and educating thousands of young people who have today, occupied prominent positions not only in India, but also across the globe.

VISION

We strive to expand the horizons of the mind of our students offering a holistic program molding the young minds, in order to inculcate a spirit of cooperation, planning and commitment.

MISSION

Our Mission is to transform the lives of our students, by offering a value centered higher education, by emphasising academic excellence and practical application of skills designed to lead our students in service to God and mankind.

CO-CURRICULAR ACTIVITIES AND OTHER EVENTS

Co-curricular activities are brought in and included in the regular course prescribed and are looked upon as one of the essential aspects of our education system.

Several skills and qualities that are instrumental to a child's holistic development are learnt outside the class room. The school encourages students to participate in all its organised activities and this contributes towards the making of an all-round person. It seeks to build leadership qualities and help students discover and develop their talents.

CLUB ACTIVITIES

The School aims at all round development with the help of many club activities which include Science and Mathematics Club, Social Science Club and Literary Club.

SERVICE INITIATIVE

In addition to becoming knowledgeable individuals, it is crucial for children to grow up to be reasonable adults. Students are encouraged to put others' interests before their own and get involved in selfless service for the benefit of those around them. Our initiatives include Community Service and Environmental Conservation.

PERSONALITY DEVELOPMENT

The importance of inter-personal skills and communication skills cannot be undermined in today's competitive world. These include debates, elocution, etiquette building, presentation skills, public speaking and reading which prepares students to handle challenging social and professional situations with confidence.

SPORTS AND GAMES

Besides nurturing the physical/athletic talents, sports and games inculcates a spirit of healthy competition and team work in students. Qualified trainers/coaches monitor the progress of every child, to ensure they learn and excel at a wide range of sports and games in a well-appointed sports complex within the campus.

TEMPERANCE AND MORAL

This club provides opportunity for the children to develop moral virtues and temperance ideals. The students are given the opportunity to recognise the evil effects of smoking, drinking, substance abuse, etc., through temperance contests and rallies.

ANNUAL FEST

Lowry Annual Fest - Kalanjali, our very own flagship Annual Day function is celebrated with great pomp and splendor where students exhibit their talents through various cultural programmes. The 'best student of the year' award and many other awards for students are given out during this time.

EXCURSION / CAMPS

This club plans for excursions, field trips and adventure camps to places of scientific, historical and other educational interest for all the classes.
